BNP Media, R&R Magazine, and Imago Trade Shows are proud to present The National Disaster Reconstruction Expo (NDRExpo), the FIRST event working to consolidate the industries which comprise the entire Disaster Preparation, Response, Recovery, and Rebuilding cycle!

Our goal – to provide a forum for Disaster Professionals to work together before tragedy strikes; to offer an opportunity for Disaster Professionals to learn more about each other, how they affect each other, how they can rely on each other, and how they can work together to ensure loss of life and property resulting from the next catastrophic event are minimized.

The 2009 All Hazards Forum & Expo Conference and Expo

ALL HAZARDS FORUM 2009....GET READY!

Developed in cooperation with the International Association of Emergency Managers – Region 9 and other local, state and federal officials, the All Hazards Forum will address the topical issues prevalent amongst the array of potential natural disasters facing California and the western states.

Fires, floods, storms, earthquakes, mudslides and volcanoes are all very real threats to the region, and the All Hazards Forum will provide emergency planners and managers the latest information possible to be effective in dealing with these crises.
