THE PATH TO GLOBAL RESILIENCY

The World's Largest BC/DR Conference, and backed by more than 20 years of experience, Spring World 2010 offers the most educational opportunities, networking events and cutting-edge information in the industry.

Spring World 2010 features more than 40 sessions, workshops and courses. Customize your schedule to meet your needs. All attendees take home complete conference material to share with others in the office.

DRJ's conferences attract thousands of planners from around the globe. Join us at the largest conference dedicated to business continuity planning. Visit with peers, network with industry experts, view the comprehensive exhibit hall and much more! Sign up early for registration discounts!

Don't miss your chance to attend the best conference in the industry for the lowest price.

Info360 – AIIM International Exposition + Conference

April 20 – 22, 2010
Pennsylvania Convention Center
Philadelphia PA
www.aiimexpo.com

If you attend just one information and content management event this year, make it the AIIM Expo + Conference

Knowledge

Develop your skills and increase your knowledge in today's most important trends and technologies.

Education

Get firsthand, actionable insight from the end-user case studies...and learn from their successes and failures

Information

Find out how to maximize your investment in currently deployed systems, or implement the new technologies you've been talking about for months

Solutions

Research and assess new products, technologies and solutions, and get great ideas on leveraging your current systems.

Community

Seize the opportunity to network and form invaluable connections with industry experts and peers.
