

## **Members of the Liberty Valley ACP:**

What a great meeting we had on Thursday, June 11<sup>th</sup> at Penn State Great Valley. I can not think of a time when we had a more engaging and topical speaker! It was wonderful to see everyone so engaged, and asking so many relevant and important questions. I want to thank all of you who were able to attend for making this meeting such a tremendous success.

For those of you who could not make the meeting, Mr. Wilbur Wolf, Principle Consultant of Wolf Creek Associates Consulting, presented on the Strategic National Stockpile (SNS). As you may know, the SNS is a national stockpile of medicines, medical supplies, and equipment managed by the CDC. The supplies are stored in multiple classified locations around the United States, capable of deployment in 12 hours or less to all of the major metropolitan areas.

Mr. Wolf and his company are actively working with Chester and Delaware County to develop, deploy, and test the activation of the SNS. He has generously provided his presentation to be posted on the Liberty Valley Web Site (<http://libertyvalley.acp-international.com>). Here are some of the comments I have received from attending members.

*“You really hit a HOME RUN with today's meeting” ... “I have never seen an ACP meeting where EVERYONE was so engaged with the presentation and asking lots of questions” ... “The topic was perfect and the speaker was outstanding!” ... “This was by far the best ACP meeting that I have been to.” ... “I wish that more of the membership could have been there - Do you think Colonel Wolf would come back and speak at the Expo?”*

(Yes, Mr. Wolf has been invited to return and speak at the annual Liberty Valley Expo.)

We also had a fantastic lunch provided by our good friends from VRI (Vital Records <http://www.vitalrecords.com>), and I want to again thank them for their ongoing generosity in supporting the chapter.

Our next event is the 2<sup>nd</sup> Annual Liberty Valley Golf Outing on July 13<sup>th</sup>. This event is open to all members, friends, family, coworkers, and anyone who enjoys golf! Please take look at the web site for further details and a link to register. We accept cash, credit cards, and checks, but you do need to register for this fun event. We will not have a meeting in August, so look forward to our general membership meeting in September, sponsored by Vanguard. Make sure to mark your calendars now for what is going to be a very special and informative meeting in September. You will not want to miss it!

I want to thank the Board and the membership for making the first six months of 2009 such a success for the chapter. We had some great meetings, wonderful speakers, and it is getting better all of the time. Please remember that we are always looking for sponsors and speakers for the membership meetings, as well as the Golf Outing and November Expo. If you or your organization is interested, please contact one of the Board Members.

Thanks again and I look forward to see you at the Golf Outing in July!
